- Please use the template provided below when completing your abstract and in your email please include your full name, the university you attend and also please indicate if your abstract is for an oral presentation or poster.

However, if demand for attendance and presentation is sufficiently high we will have limited capacity within the programme and venue to accommodate everyone. In this instance, abstracts will be accepted on a first come first serve basis. Presentations will be allotted 15 minutes for presentation and 5 minutes for discussion. There will be a dedicated poster session at the conference, but posters will be on display throughout the event to maximise their exposure.
